

April 22, 2024

Dear Valued Provider,

We are pleased to announce that Dominion National is now administering embedded comprehensive dental plans for AmeriHealth Insurance Company of New Jersey's new suite of Medicare Advantage products.

As a participating GEHA Connection Dental Network provider, you are receiving this notice because your office is in-network for members of these AmeriHealth Medicare Advantage plans. Claims will be processed according to your GEHA Connection Dental fee schedule.

The network partnership is **effective as of January 1, 2024**, and is a strategic step in ensuring AmeriHealth's Medicare Advantage membership has wide access to quality participating dental providers in New Jersey and the surrounding areas.

The new Medicare Advantage dental PPO plans offer comprehensive benefits with no deductibles or waiting periods. Diagnostic and preventive services are covered in full. Select basic restorative, endodontic, periodontic services are covered at 80%. The plan also offers coverage for major services, such as dentures, implants and oral surgery at the 60% coinsurance level. Non-preventive annual maximums range from \$1,000 to \$2,000.

Members will present their AmeriHealth Medicare Advantage medical card in the office – please see a sample image below.
