- 83% of patients will have embedded benefits that cover some major services*.
- 86% of patients will have plans that cover periodontal maintenance.

Reading the patient's ID card

As a reminder, **all Medicare Advantage dental benefits use a PPO network**. The patient's ID card may say HMO, but that is only related to their medical benefits. The dental benefit is on the back of the card.

This is the Humana medical network only. It is not related to the dental network.

Need assistance? Humana provides a trusted advisor known as a single point of contact (SPOC) to all in-network providers. Your SPOC is there to help your practice solve administrative issues, answer plan questions, and get back to patient care faster. If you do not have your SPOC's contact information, please email DentalService@humana.com to request their details.

Humana knows Medicare. To learn more about our plan offerings from a Medicare expert, ask your SPOC about a visit from a licensed, local Humana sales agent.
